

# Book Summary Instructions

Book: \_\_\_\_\_

## **Book Summary:**

On the following pages write summaries of your book and Bible selections. Or you may choose to type your summaries, being sure to include the information requested on the summary form. Each summary must be at least 100 words long and include a parent signature at the bottom. The summaries must include a general overview and your opinion of the book. Your opinion must carry some depth to it. For instance, you may write “I like the way the author...”, but it would not be acceptable to write “I did not like this book”. It would be more appropriate to say “I found the book did not hold my interest” or “I think the author could have approached the story differently. Perhaps he could have left the reader with more intrigue.” Etc...
