

Elementary Summer Reader Trip

The Summer Reader Trip is a great time where the students can enjoy fellowship. New students and Kindergarteners are welcome to join us. Returning students should have completed the requirements to attend. The students have until September 1st to complete the required reading unless they are a new student or a kindergartener.

We will be going to have a picnic and fun day on Friday, September 4th. We will begin at South Campus around 9:45. When we arrive, we will be doing breakfast. Then the students who are participating will be going to do the different stations. The students who decide to not participate in summer readers will be going to their normal classes.

Please email me your questions at danah_skinner@champion.org or call me at the school. (Ext 109)
