

Elementary Summer Reader Trip

The Summer Reader Trip is a great time where the students can enjoy fellowship. New students and Kindergarteners are welcome to join us. Returning students should have completed the requirements to attend.

<https://www.champion.org/ccs/activities/elementary/summerreaders/>

The students have until after Labor Day to complete the required reading unless they are a new student or a kindergartener.

We will be going to Mountain Pines on Wednesday, September 14th. We will be leaving South Campus around 9:00. When we arrive at south, we will be doing breakfast. Then the students who are participating will be loading the bus to go to mountain pines. The students who decide not to participate in summer readers will be doing normal classes.

If you would like to attend, please write in the notes section at the bottom. There will be an additional cost.

Please email me your questions at danah_skinner@champion.org or call me at the school. (Ext 109)
