

Dear Champion Christian School Parents,

Each fall we schedule a parent night at the school so that we can cover topics that we sometimes just do not have time for in the individual meetings. We discuss a variety of topics concerning school events, speech meet, science fair, field trips, information about achievement testing, and other topics specific to the program of your child. We are also interested in any questions and input that parents have to share.

Mr. Skinner also hosts a special meeting with parents of juniors and seniors to discuss Post High School Education and Financial Aid.

Please email us at [info@champion.org](mailto:info@champion.org) or call one of the offices to RSVP for this event. We are looking forward to making more of a connection with you! Dinner will begin at 5:00 and the meeting at 5:30.

Sincerely,

Champion Christian School Faculty
