

PSAT

The PSAT or Preliminary Scholastic Aptitude Test will be given in the high school on Wednesday, October 12, 2022, at CCHS. This practice SAT in October is necessary for 10th and 11th graders. There will be a separate PSAT for 8th and 9th grade students in April.

This is a national test and very important for students to begin to assess how they will do on SATs and ACTs for college. Strengths and weaknesses of students can be evaluated to help decide on courses needed for the rest of high school as well. For 11th graders, the test is also a scholarship qualification test.

Please make sure that your student gets the necessary amount of sleep and eats a breakfast that morning. Also, we are starting promptly at the beginning of the school day so your student must be on time. Do not schedule any medical or other appointments unless absolutely necessary on that day as we cannot do make up tests for this exam.

The cost of the test is \$18. This fee is sent to the National Test Center to process and score the exams. **This will be charged to your tuition account.** If you have any questions, please call Mrs. Brant or Mrs. Lane.
