

## **PA Cleanways Permission Form**

Every year we serve the community by cleaning 2 miles of road near the Indian Head South Campus. Students are given gloves and trash bags. It is the student's responsibility to wear appropriate clothing and shoes, remembering we will be walking near water and through brush.

I give permission for \_\_\_\_\_ to attend the PA Cleanways event. I understand my child will receive transportation (at no charge) to and from South Campus and arriving at North by 5:30 PM.

Please contact Donna Bupp (724) 550-8520 if you have any questions.
