SUMMER PRESCHOOL AND EXTENDED CARE PROGRAM 2020

Dear Parents,

We are very excited to announce that we are offering summer programs for both preschoolers and Elementary students this year. We will have a Summer Preschool Program, a Summer School Age program (Kindergarten through Fourth Grade) and both will include an extended care option again this year to help meet your needs! There is also care available for those children under 3 years old. Please let us know, in advance, the ages of your younger children so we can make appropriate accommodations. Thanks.

We will continue to offer Preschool for children ages 3 to 5 again this year. (Students entering any kindergarten program in the fall are welcome to attend.) The program will be offered M-F. Parents may choose to send their child to any or all of the days. For families attending summer preschool for two or more days, there is some financial aid available. **A pre-registration form will be sent home soon that will offer an early registration discount so be checking your e-mail often.**

We will also offer a program for students in kindergarten through fourth grade. The school age program will offer children a scheduled daily routine filled with a variety of educational, social, and just for fun activities including art, gross motor, science, technology, music, nature, literature, and math. The children will also have snack, lunch, and quiet time (those staying all day) while in care.

During the summer care months, the preschool and school aged programs will operate together each day as many of the activities are suitable for both age groups. This also allows the older children to experience leadership roles and the younger children to have social models and appropriate challenges. However, the programs will be separated as needed to ensure developmental appropriateness.

The rate of full tuition will be \$24 per day for less than 5 hours and \$38 for more than 5 hours per day. There is financial aid available! Preschool classes will be offered from 9 AM to Noon. **We are offering care before and after class as needed.**

In order to help us with our planning, we are asking you to RETURN THE SIGN-UP FORM FOR YOUR PROGRAM CHOICE(S) AS SOON AS POSSIBLE. It is our desire to offer a program with a schedule that meets the needs of our families and the community.

Thank you!

Ms. Mandy, Ms. Lauren, Ms. Danah, Ms. Lin, Ms. Jen, and Mrs. Lane
