

2008-2009 Champion Christian School Pre-Enrollment Form

Dear CCS Parents,

It's hard to believe that it is time to begin planning for next school year! The first step in the process is to re-enroll current students before we accept new students. We begin accepting applications from the community beginning March 1st. We need to make some preliminary estimates about retention numbers to know if there are openings. That's where this form comes in!

We need you to check the following spaces that are applicable to your family and return the form to the office by Friday, January 18th, 2008. Please note that ***your answers on this form do not commit you to a decision***, but just let us know your intentions at this point. Questions regarding next year may be indicated on the form - or you are welcome to give one of the administrators a call. Thank you in advance for your helpfulness.

D. Merle Skinner, Executive Director

P.S. To avoid confusion, **please remember this does not officially re-enroll your student for next year. You will receive an official application during the end of January.**
