

# Canada Mission Week Itinerary

Here are some more details regarding our time in Canada:

1. Arrive 6th late in day.
2. Sleeping accommodations will be like a camp, which means your group will be in bunks. But we might be able to provide sometime a little more for some of your leaders.
3. International Calling rates will apply. Dr. Skinner's Cell phone will have International Calling, so please call him as needed. 724-557-2675. Students will have access to wi-fi while in Canada.
4. There will be funds used to go towards allowing you and us to build doors for our storage areas that we need to create.

## Potential Schedule:

April 6th- arrive and get settled in

April 7th- Morning and Afternoon (divide into two teams) One team will be cleaning out a barn or riding arena and the other team will begin to build doors for our storage areas. Then in the evening two teams can go out. One team to an Awana group and the other team to a youth group.

April 8th- Team will spend the day at TCS (Timothy Christian School) They have suggested that you can do a chapel with them, do some painting and play some games with the kids.

April 9th in the morning you will divide into 3 teams and do a camp promotion blitz in three different towns. In the afternoon we will divide into two teams and finish up cleaning and building doors for storage areas. If we are ready we might also use a team to lay down some flooring as well. In the evening we will have a team go to a drop in centre and another go to a youth group.

April 10th- in the morning we as a ministry will have a celebration with you and then you folks will get on the road.

We will spend an evening, morning or afternoon doing something that is related to Canadian Culture that is just a fun day.
