Temperature is expected to be mid 80's ...please pack accordingly

Clothing:

All girls should bring one knee-length (or longer) skirt, just in case we get invited to visit a home or church where the ladies wear skirts

Sunday Worship...(tentative plans)

- Girls may wear a skirt, dress capris (below the knee), or dress slacks
- Guys may wear nice pants, and either a Polo shirt with collar, or a button down, short-sleeved shirt with collar.

Clothing must not contain messages that contradict our beliefs as Christians, or would be seen as damaging to our witness. ie) violence, profanity, alcohol/tobacco advertisements, etc.

Clothing should not be tight

Missionaries (because that is what we are!!) can leave clothing as a donation, if desired

Luggage:

Each person will be able to bring...

- one carry-on bag (To fit in the overhead bin on the bus) since we are traveling, this should have enough for the 30 hour bus ride. Blanket, pillow and snacks are appropriate.
- one personal item - ie. purse, briefcase, laptop, etc
- one bag (50 pounds or less, and no more than 62")

We will want everyone to try to get a bag close to this size. We shouldn't need to pack that heavily, and will use the extra space to

take things we want to bring along. For example, we may have two of us share a bag and use the extra to carry something to AZ

- LABEL your luggage!!!
- Medications should be packed in your carry-on bag, as well as other "essential" items. Always be prepared for luggage delays/separations. These are the things you can't live without.

Gifts:

To be determined..
