

The Discovery Program Champion Christian School

“ The Lord will fulfill His purpose for me: your love, O Lord, endures forever
- do not abandon the work of your hands.” PS 138:8

Champion Christian School believes that each child has a unique role in God’s plan, and is a special individual created and loved by God. Exceptional children are a part of God’s creation and have dignity, worth, and purpose whether they are mentally handicapped, average, or gifted. Each child who, by faith in Him, becomes a member of the Body of Christ, needs training in every area of his potential so he may be equipped to fulfill the unique purpose God has for him.

The Discovery Program helps students overcome academic difficulties which may be due to learning differences, with the ultimate goal being to help them reach their highest potential in fulfilling God’s purpose for them.

The program provides an individual program of educational therapy designed for students who are not realizing their academic potential because of difficulties in their perceptual or thinking processes.

The Champion Christian Discovery Program is a member of the National Institute of Learning Development. The teachers that work with our students have received specialized training through NILD. Mrs. Belinda Lane is the Director of the program. Parents with questions or concerns should contact Mrs. Lane.
