Merle Skinner 724-455-7022
Jen Lilley 724-593-6516
Rachel Brant 724-593-7190
Tim Martin 724-880-6888
Jack Mathews 724-237-0247
Jarrad Marker 724-562-2598
Trevor McCalmont 724-691-6853

Our ministry at the Center has many different needs in which you may be able to help. We always welcome people with specific skills who would be willing to share their time with us. Specifically, if you have talents and interests in the following areas, or if you know of anyone who does, please contact one of the trustee members. If you are a Church or other group? We'd love to have your help. Would a group at your church be interested in taking one of these projects on as a mission? We will provide materials and supplies - what we need is someone willing to take on the project and finish it! You can work at your own pace and schedule, unless the project affects program space directly.

We are currently working on finishing up our **Gym/Health and Wellness Center**. We need people who can help with running our equipment and helping with installing finishing touches on the project. We are currently also moving our storage areas and getting them organized. If you would like to help with this or any project, please email us at info@champion.org.

The Center hosts regular work days that are found on our calendar at www.champion.org/calendar in which you can attend, but if you contact us at info@champion.org or call the Center we will be glad to match you with a job that can be done at anytime!

The Center's ministries currently have two properties, and three major facilities as well as over 53 acres of property to manage. There are lots of opportunities from little jobs to major jobs. We have something for everyone. If you cannot find it on this list, let us know and we will match your skills and interests with what we need!

Take a look at a compilation of photos from several Trustee projects [here!](#)

GENERAL PROJECTS:

1. We are finishing up our walking track around our soccer field and need helpers to run equipment to level off the edges and plant grass.
2. We have several banks that need cut back with weed eaters and small brush taken out
3. General Construction work on our buildings (electrical, plaster, drywall, plumbing)
3. General equipment operation. We have a small Dozer, crawler and Backhoe
4. Donation and/or Installation of Chain Link Fence along Field of Soccer Area
5. Installation of a retaining wall around Harr Field Bleachers
6. Trees cut (please feel free to take the firewood if you want it!)
7. Painters to do rooms and hallways (at both campuses)

TOOL DONATIONS NEEDED:

1. General Hand Tools and Shop (vehicle repair) tools
2. Generator

SOUTH CAMPUS - Indian Head

1. Outdoor Landscaping and cleanup work
2. Room painting

NORTH CAMPUS ATHLETIC FIELDS/GROUNDS

1. General Landscaping
2. Chain-link fence installed along lower west area
3. Pavilion Built on Harr Field

NORTH CAMPUS - Donegal

1. Paint selected rooms
2. Paint outside play equipment

MAINTENANCE BUILDING - Donegal

1. Hand Tools collected for donation for maintenance work and garage work
2. General Garage Shop materials/equipment/tools

VEHICLES/Equipment

1. Vehicles to be donated for Center use or for sale. Mini-vans and others.
2. Large Equipment Trailer (for hauling backhoe)
3. Front Loader
4. Excavator or Skid Steer

OTHER WORK/Needs

1. Library Volunteers to work in the library
2. Large Tent(s) for events needed (like a reception tent)
3. Library Books: Special focus areas; Christian based, appropriate fantasy and imagination focuses
