

THANKSGIVING BANQUET EVALUATION/SURVEY

We are interested in hearing your thoughts about our Annual Thanksgiving Banquet as we attempt to improve for next year. Please take a few minutes to complete and return to your campus office to help the PTF know how to better serve the Center family next year. Use back of paper, if necessary.

1. Did anyone in your family attend the Banquet?

If yes: On a scale from 1 to 10 (10 being the best) how would you rate this event? (circle one)

1 2 3 4 5 6 7 8 9 10

If no: What would have made it more attractive to you to attend?

2. What changes, if any, would you suggest?

3. This is the first year that we did not have a program, as it always has seemed hard to get people's attention in a dining atmosphere. How do you think that worked this year?

4. If you missed having a program, or think we should try to do something: What ideas do you have? How would you suggest making the environment more compatible with doing some type of presentation?

5. Would you be interested in helping with a specific task for the Thanksgiving Banquet? YES or NO
