About Champion Christian Schools & Preschools

Champion Christian Schools and Preschools (CCS) have been providing high quality Christian education for Preschool through 12th grade for over 30 years. CCS is accredited jointly by the Association of Christian Schools International and Middle States Association of Schools and Colleges. CCS's primary goal is to develop life-long learners who are maturing and developing a distinctly Christian World View.

Excellent Academics and Life-long learning:

Due to small class size and developmental learning opportunities, the students at CCS excel in academics producing above average test scores in the top 1/3 of students of the same ability by national norms. After graduation, over 95% of CCS's students continue their education at an institution of higher learning. In addition to academics, CCS offers their students many athletics, missions, and musical training opportunities. This is all done in an area of Western PA that is identified as low income, poverty ridden and not focused on education.

Benefits the Community:

Your contribution will benefit communities as well. CCS is a successful school that gives their students the appropriate training to be valuable members of the community. CCS strives to make the community a better place through many outreach activities, programs, and service projects.

ICVCFCC Tuition Grant Program Success Stories

“I just wanted to thank those businesses who participate in the EITC program for Champion Christian School. Champion provides a nurturing and excellent academic environment for my children, and with the EITC funding-it's also affordable!”

“The EITC program gives us the opportunity to send our children to a wonderful Christian school, that we could not otherwise afford. We are a family that falls under the income guidelines that allows us to receive financial aid for our school tuition. We are so thankful to anyone who sends their PA tax money to this cause, because you are making a difference in our children's lives as well as others.”

“Christian schooling has made a difference in my son's life. I am so thankful for the EITC program! Without financial aid, we would not be able to afford to send him.”

The Center also manages other scholarship organizations for schools if you are interested in making a more regional gift rather than to just CCS.
