Putting Contest

The putting contest begins at 12:00 and runs until the end of the day when final putt offs occur. The putting green will only be closed from 12:45 to tee off time at 1:00 P.M. to assure that players get started on time.

TO QUALIFY

Putt a ball into a three foot circle from approx. 50 feet, as is designated on the putting green. Players may purchase 3 balls for \$5.00, and may purchase as many balls as they like and have time to putt. You may only qualify once.

Example: Players may purchase 3 balls upon arrival at the course while their captain is obtaining their cart and assignment materials from the course. If they putt one of those three balls into the drawn circle then they have qualified. If they do not put any of the three purchased balls into the circle, then they may choose to purchase three more balls. Players may do this until the ball is putt into the circle. If they have to leave, upon turning the corner of the course they may purchase three more balls and try to put them in.

Golfers must keep play on the course moving while participating in the putting contest.

FINAL PUTT OFF

The final putt off will be done in reverse order of qualifying. The last player to qualify is the first to putt. The putt off will be done after the tournament is finished, and after other skill prizes have been awarded at the covered picnic area.

PUTTING CONTEST PRIZE LIST

1st place Hand crafted set of irons

These are some of the prizes that were awarded last year. They will be similar this year.

2nd place Uniontown Country Club foursome

3rd place Handcrafted putter

4th place and beyond will receive miscellaneous Golf foursomes and certificates.
