Third prize: To be announced

Compete on the 16th hole to win a foursome at Mystic Rock! Tentative

Each player that chooses to compete in the Mystic Rock event will have their tickets put in the drawing to win the foursome at the acclaimed Mystic Rock Golf Course at Nemaquin Woodlands Resort & Spa. This is a value of over \$500!

*Each player can choose to compete as they approach for their tee shot. The minimum fee is \$10 and the maximum is up to you! For \$10, the player gets one ticket to put in for the drawing if the player hits a shot that lands on the green or fringe.

*If your shot doesn't land on the green or fringe, then your ticket does not get in the drawing.

*You may purchase additional ticket chances in \$5 increments. These must be bought prior to your turn. For example, should you decide to invest \$20 and you hit the green, you will get three tickets put in the drawing.

*If you miss the green and want to try again...you can buy a special mulligan for \$20 and you can use the extra tickets from your first try or you can buy more tickets before you hit your mulligan. All other mulligans for the other holes (1-15 and 17 and 18) are purchased before the event.

Note: The mulligan cannot be used to improve your team score. Only the first shot counts for team scores.

RULES OF PLAY

The general format is a four-man scramble. U.S.G.A rules govern all play except as modified by local rules as listed on the course scorecard and the following list of other general rules.

1. Each team shall consist of a maximum of four players.
2. Each team shall select a captain prior to the beginning of play. It shall be the responsibility of each team captain to select the shot to be played by other team members, keep the team's official scorecard, and monitor compliance with the rules of play.
3. All male players shall hit their tee shots from the white markers. All female players shall hit their tee shots from the designated red ladies' tee locations. The gold senior tees may be used by golfers 70 and older.
4. All players will hit a tee shot at each hole. A minimum of two of each team member's tee shots shall be used during the 18-hole round.
5. When the team captain selects the shot to be played by the team, each team member may place his/her ball within one club-length of the location of the selected shot, no nearer the hole. When the selected shot is to be played from a hazard, rough or fringe of a green, the ball may be placed one club-length away, but no nearer the hole and not removed from the hazard, rough or fringe of a green.
6. A player may improve his/her lie by hand placing the ball or by moving it with the head of a club.
7. When putting, the ball must be placed within two putter-head lengths of the selected shot, no nearer the hole. Players should not take a second putt or more until all players have tried the original putt. Play of the hole stops when a putt is holed.
8. In the event of a tie between two or more teams, the final order of finish shall be determined using the following criteria in order:
 - A. Lowest aggregate score through the last 9 holes each team played.
 - B. Lowest total strokes at hole #5 including both times the hole is played.
9. PLEASE DO YOUR PART TO KEEP PLAY MOVING.
10. NO ALCOHOLIC BEVERAGES PLEASE.
11. Men's Groups will consist of four men or three men and one woman.
Mixed Groups will consist of two men and two ladies or three ladies and one man.
Ladies' Groups will consist of four ladies.
12. Two mulligans can be purchased for \$5 before the event. You may buy an unlimited number of them. Hole #16 is the only hole that the mulligans are not allowed. There will be special mulligans available at that hole that do not count toward team score.
