

September 2012

The Pennsylvania CAPE (PA CAPE) network endeavors to provide a coherent voice on behalf of the private schools that operate within the Commonwealth of Pennsylvania. With a commitment to foster active communication and cooperation within the private school community, PA CAPE values the active member support of the independent school community.

The PA CAPE organization is funded primarily through yearly dues associated with active membership. September is the month whereby yearly membership fees are due.

The suggested membership fee guidelines are as follows:

- \$250 for organizations serving less than 1,000 students
- \$500 for organizations serving more than 1,000 students

Dues contributed on behalf of the active members will support the expenses mainly incurred by representation at the annual state and national CAPE conferences, in addition to the yearly CAPE dues that each state affiliate is to pay.

Along with payment, please send a cover letter that provides the following: name of your organization, number of schools and students served, address of organization, person of contact and his/her email address, and the mission of the organization. Please make the check payable to PA Council for Private Education and mail to my attention at the following address: 845 Silver Spring Plaza, Lancaster PA 17601.

Once again, and on behalf of PA CAPE, we value and appreciate your consideration of membership and the support to speak as a collective voice on behalf of the private schools in Pennsylvania.

Sincerely,

David Hegedus
