

Facility Safety Routes

(Champion Christian Preschool Handbook Updated Policy)

Champion Christian Preschool South Campus

Parking & Walking Safety Routes

- When accessing the South Campus Preschool Facility, all parents and guardians shall park within the indicated parking spaces (within the lines) found on the west side of the facility being sure to avoid the main drive areas . Handicapped parking can be found immediately in front of the main entrance into the facility (by basketball court) again within the parking lines avoiding main drive areas.

- When walking and crossing the parking lot, parents shall note that school busses and vans use the provided lane between the building and grassy areas. Safety street crossing practices must be used including looking both ways for vehicles and walking to the sidewalk, staying as close to the building as possible, until they reach sidewalk and use it to enter and to exit the facility at the main entrance.

- Preschool pick-up and drop-off points are located within the classroom area. The parents will bring their children directly to the classroom at the appropriate arrival time and assist them in unpacking and settling in for the day. At pick-up time, children will be released from teacher to parents. The parents will remain in the hallway until the classroom door is opened and they are invited to help children pack up, say goodbyes, and walk safely to their cars for departure. Parents and preschoolers will exit the facility via the glass door and front porch at the time of dismissal. However, there will be **NO ADMITTANCE** to the facility via the front porch entrance to maintain proper security and safety of all in the facility.
