

2021 Nonpublic School Teacher of the Year

Philosophy of Education Response Form

(Can be reproduced using same format, but limit your responses to each question to 200 words)

What words describe you as an elementary/secondary teacher:

Write a *brief* statement of your philosophy of education:

What aspects of education give you the greatest satisfaction?

What special projects or initiatives have you designed and/or implemented that promoted academic excellence or professional growth?

I certify that the above information is true.
